

FEMALE BULLET DISCONNECTOR

Key Features:

- Bullet connectors are a small inline tube shape electrical connector which provide a reliable and efficient electrical connection, ensuring seamless current flow and minimal voltage drop

Materials/Finish:

- Terminals are made from electrolytic copper, rolled tin-plated and brazed high quality Nylon/PVC insulation are used which are able to withstand high duress resulting from crimping

Item No	Dimensions (mm)				Wire Range		
	B2	B	L	D	Twine mm ²	AWG	Colour
